STIPULATION AND [PROPOSED] ORDER
CONTINUING STATUS CONFERENCE
AND EXCLUDING TIME UNDER THE
SPEEDY TRIAL ACT

New Date: January 16, 2024
Time: 9:00 a.m.
Court: Hon. Dale A. Drozd

Plaintiff United States of America by and through Assistant United States Attorney David
Spencer, and Attorney Todd Leras on behalf of Defendant Jose Lopez Zamora, Attorney
Christopher Cosca on behalf of Defendant Leonardo Flores Beltran, Attorney Michael Long on
behalf of Defendant Joaquin Sotelo Valdez, Attorney Jennifer Mouzis on behalf of Defendant
Erika Zamora Rojo, Attorney Dina Santos on behalf of Defendant Jose Aguilar Saucedo, and
Attorney Shari Rusk on behalf of Defendant Rosario Zamora Rojo, stipulate as follows:
ORDER CONTINUING STATUS
CONFERENCE

- 1 1. This matter is set for a status conference on September 26, 2023. Defendants move
2 to continue the status conference to January 16, 2024.
- 3 2. This case alleges the existence of a drug distribution conspiracy involving, among
4 other substances, fentanyl, cocaine, and methamphetamine. The Drug Enforcement
5 Administration's investigation included controlled purchases of various controlled
6 substances and the use of Court-authorized wiretaps on telephones associated with the
7 drug distribution conspiracy, including a phone being used to coordinate deliveries
8 from Mexico.
- 9 3. This matter has been reassigned three times (ECF Entry 226 – from Judge England to
10 Judge Mendez; ECF Entry 317 – from Judge Mendez to Judge Nunley; and ECF
11 Entry 357 – from Judge Nunley to this Court). On March 3, 2022, the United States
12 filed a Superseding Indictment (ECF Entry 276). The Superseding Indictment
13 included, among other changes from the original Indictment, expansion of the date
14 range for the charged conspiracy by approximately one year. It also added a money
15 laundering conspiracy and heroin distribution charges.
- 16 4. On August 24, 2023, the Court arraigned Sandro Escobedo and appointed Susan K.
17 Gellman to represent him. (ECF Entry 481.) On October 11, 2022, Attorney Martin
18 Tejeda filed a Motion to Withdraw as Counsel of Record for Defendant Erika Zamora
19 Rojo (ECF Entry 382). This Court heard and granted the motion to withdraw on
20 October 25, 2022. (ECF Entry 393). The Court granted a substitution request
21 allowing Attorney Jennifer Mouzis to represent Defendant Erika Zamora Rojo as
22 appointed counsel in this matter on December 5, 2022. (ECF Entry 408).

23
24
25
26
27
28 ORDER CONTINUING STATUS
CONFERENCE

- 1 5. The discovery in this case is voluminous. The government provided several rounds
2 of discovery productions which included approximately 7,800 pages of reports,
3 transcripts, photographs, and other materials produced during the investigation. The
4 intercepted telephone calls alone comprise hundreds of hours of conversations
5 between various participants in both English and Spanish. On January 19, 2023, this
6 Court approved the appointment of Discovery Coordinating Attorney John C. Ellis to
7 assist with the discovery materials produced by the government. (ECF Entry 426).
8
- 9 6. During the first week of March 2023, Mr. Ellis produced to defense counsel flash
10 drives containing the complete discovery materials (the “March 2023 production”)
11 produced to date along with various tools to assist defense counsel with accessing
12 them. The March 2023 production allowed access to additional materials which
13 expanded the volume of discovery to approximately 55,500 pages of material. Mr.
14 Ellis provided a training session to defense counsel to provide instruction in how to
15 access and manage various case materials within the March 2023 production.
16
- 17 7. This case is “complex” within the meaning of 18 U.S.C. § 3161(h)(7)(A), (B)(ii)
18 [Local Code T-2], as this Court previously found in its February 10, 2021 Order (ECF
19 Entry 103) and subsequent orders.
20
- 21 8. Defendants Lopez Zamora is housed at the Yuba County Jail in Marysville,
22 California. Defendant Sotelo Valdez is housed at the Wayne Brown Correctional
23 Facility (WBCF) in Nevada City, California. The Yuba County Jail is approximately
24 forty-two miles from downtown Sacramento, while the distance to WBCF is
25 approximately sixty-five miles. Attorney travel for client visits is therefore a
26
27

necessary part of discovery review and defense preparation in this case. In addition, both the Yuba County Jail and WBCF restrict when attorneys can use electronic devices to access audio and video evidence during client meetings. These restrictions complicate review of recorded portions of the discovery with Mr. Lopez Zamora and Mr. Sotelo Valdez.

9. All defense counsel require additional time to continue review of the discovery materials with their respective clients and to conduct defense investigation stemming from them.
10. Given the continuing defense review of the discovery materials and investigation of matters related to them, including those materials accessible following the March 2023 production, Defendants request to continue the status conference to January 16, 2024. They further move to exclude time between September 26, 2023, and January 16, 2024, inclusive, under Local Code T-4. The government does not oppose the request.
11. All defense counsel represent and believe that failure to grant additional time as requested would deny Defendants the reasonable time necessary for effective preparation, considering the exercise of due diligence.
12. Based on the above-stated facts, Defendants jointly request that the Court find that the ends of justice served by continuing the case as requested outweigh the best interest of the public and the Defendants in a trial within the time prescribed by the Speedy Trial Act.
13. For the purpose of computing time under the Speedy Trial Act, 18 U.S.C. § 3161, *et*

1 *seq.*, within which trial must commence, the time period of September 26, 2023, and
2 January 16, 2024, inclusive, is deemed excludable pursuant to 18 U.S.C. §
3 3161(h)(7)(A), and (B) (iv) [Local Code T-4] and 18 U.S.C. § 3161(h)(7)(A), and B
4 (ii) [Local Code T-2] because it results from a continuance granted by the Court at
5 Defendants' request on the basis that the ends of justice served by taking such action
6 outweigh the best interest of the public and the Defendants in a speedy trial.
7

8 14. Nothing in this stipulation and order shall preclude a finding that other provisions of
9 the Speedy Trial Act dictate that additional time periods are excludable from the
10 period within which a trial must commence.
11

12 Assistant U.S. Attorney David Spencer, Attorney Christopher Cosca on behalf of
13 Defendant Leonardo Flores Beltran, Attorney Susan Gellman on behalf of Defendant Sandro
14 Escobedo, Attorney Michael Long on behalf of Defendant Joaquin Sotelo Valdez, Attorney
15 Jennifer Mouzis on behalf of Defendant Erika Zamora Rojo, Attorney Dina Santos on behalf of
16 Defendant Jose Aguilar Saucedo, and Attorney Shari Rusk on behalf of Defendant Rosario
17 Zamora Rojo, have reviewed this stipulation and proposed order and authorized Michael Long
18 via email to sign it on behalf of their respective clients.

ORDER CONTINUING STATUS
CONFERENCE

ORDER

BASED ON THE REPRESENTATIONS AND STIPULATION OF THE PARTIES, it is hereby ordered that the status conference in this matter, scheduled for September 26, 2023, is vacated. A new status conference is scheduled for January 16, 2024, at 9:00 a.m. The Court further finds, based on the representations of the parties and the request of all defense counsel, that the ends of justice served by granting the continuance outweigh the best interests of the public and the Defendants in a speedy trial. Time shall be excluded under the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A), (B)(iv) [Local Code T-4] and 18 U.S.C. § 31616(h)(A), (B)(ii) [Local Code T-2], to allow necessary attorney preparation taking into consideration the exercise of due diligence for the period from September 26, 2023, up to and including January 16, 2024.

IT IS SO ORDERED.

DATED: _____, 2023
